Attachment: Replacement Sheet

Annotated Sheet

Remarks

In view of the following remarks, entry of this requested amendment is respectfully requested.

This amendment was filed in response to the May 2, 2003 Notice of Draftsperson's Review, which was enclosed with the November 3, 2004 Notice of Allowance. It should be noted that this same proposed drawing amendment was submitted with the September 2, 2003 Response to the Office Action and appears in PAIR. Nonetheless, proposed drawing amendments are again submitted with this amendment. In FIG. 1A, the section line "A-A" has been changed to "I-I" in order to obviate the objection in the Notice of Draftsperson's Patent Drawing Review. These drawing amendments are editorial in nature and do not add new matter to the application. A Supplemental Application Data Sheet was submitted along with this amendment in order to update one of the inventor's addresses.

If after reviewing this amendment the Examiner feels that any issues remain which must be resolved before the application can be passed to issue, the Examiner is invited to contact the applicants' undersigned representative by telephone to resolve such issues.

Respectfully Submitted,

By
